

**Risk Mitigation tools to support GCC's investment in the Sub-Saharan Africa Region**  
16h:15-- 18h:00, 16 May 2017, (Room Al Qasr C, Hilton Hotel, Jeddah)

### Overview

*Given the attractiveness of Africa in terms of investment and business opportunities, this side event would focus on 'how existing and potential financial and technical resources can be mobilized from the GCC region to sub-Saharan Africa'. The panel will discuss ICIEC risk mitigation solutions and other proven models that could support the flow of investments from GCC to Sub-Saharan Africa region.*
